

Notice of Updated Policy

October 1, 2019

To Our Patients,

We want to inform you of an update to our cancelation/no show policy. Please review the policy (effective 10/1/2019) below:

Missed Appointments If you are unable to keep your appointment please notify our office at least 24 hours in advance. Failure to provide 24 hour notice will result in a no-show charge and will be collected to the extent permitted by law or applicable payor contracts. The no- show fee is \$50 for a Monday-Friday regular medical visit and \$100 for Saturday appointments. The no- show fee is \$99 for a cosmetic consultation and \$250 for a cosmetic procedure. No-show charges are not billable to your insurance.

We thank you for your understanding and appreciate you allowing us to continue your dermatological care.

Sincerely,

Pinnacle Dermatology
